JANICE K. BREWER, GOVERNOR  
WILL HUMBLE, DIRECTOR

May 23, 2011

To All Employers:

The Arizona Medical Marijuana program launched on Thursday, April 14, 2011. In support of this, the Arizona Department of Health Services (ADHS) implemented a new Medical Marijuana Card Verification website for use by Arizona law enforcement agencies. The passing of House Bill 2541 expanded the use of this website to include employers.

To use this website, please identify the appropriate users within your organization and have them register at <https://azmmr.azdhs.gov>. ADHS will review the registrations and approve those from employers.

Once registered, employers will be able to access the Arizona Medical Marijuana Card Verification website at <https://azmmv.azdhs.gov>. This website will accept the 20-digit registry identification card number, and if valid, it will provide the name of the card holder (and when available, the amount of marijuana dispensed in the last 60 days).

Sincerely,

Will Humble  
Director  
Arizona Department of Health Services
